WHO WE ARE

Intellijoint Surgical® develops and commercializes surgical navigation solutions. It is committed to improving patients' lives by providing every surgeon with effective, easy-to-use technology. Intellijoint's flagship product, Intellijoint HIP®, provides surgeons with real-time, intraoperative measurements to ensure accurate positioning of orthopaedic implants during total hip replacements.

Intellijoint Surgical is the recipient of the North American Frost & Sullivan Enabling Technology Leadership Award, the Futurpreneur Shopify True Grit Award and the Growing Strong Futurpreneur Award.
